

STEP-BY-STEP UPCYCLING WITH LEMONAID

DIY HOW TO CUT A GLASS BOTTLE

ESTIMATED TIME TO COMPLETE: 20 MIN · DEGREE OF DIFFICULTY: EASY

1. You need: a glass cutter, a guide rail and 1 Lemonaid bottle.

2. Cut off the top of the Lemonaid bottle.

3. Dip the bottle into the cold water at first and afterwards into the warm water.

4. Grind the glass into the water.

5. Grind the glass again outside the water.

6. Done! Now you can use it as a pen holder,

7. a tealight glass,

8. or as a drinking glass.
